Full Members: National organisations recognized as having the responsibility for the sport of CP Football within their countries. Full Members must be active participants in international CP Football competitions (or be actively working towards such competition.) Full Members are expected to maintain affiliation with their country's National Paralympic Committee. Full members are eligible to host the major international CP Football competitions which are sanctioned by IFCPF (Regional and World Championships). Full Members have voting rights, and only one organisation per country may become a Full Member.

Affiliate Members: National organisations responsible for developing the sport of CP Football where there is no organisation which meets the requirements to be a Full Member. In addition, where there are multiple organisations responsible for CP Football in a country, then those organisations which are not the Full Member for that country may become Affiliate Members. Affiliate Members are eligible to host national and international competitions which are sanctioned by IFCPF. Affiliate members do not have voting rights.

Associate Members: Organisations or individuals with an interest in promoting the sport of CP Football in their country. Associate Members do not have voting rights.
