## COVID-19 MEASURES

Due to the global pandemic that we are experiencing worldwide, the **Covid-19**, LOC is taking very seriously all measures to mitigate risks and provide safe environment for all teams (players, staff and families) and personnel involved in the competition.

For this reason, the LOC is working, together with highest health and sports authorities in the country, on a protocol of measures.

**All** facilities will have hydroalcoholic gel at the entrance and in key locations

**Players** must wear mask and respect the safety distance when they are not playing a game

**Thermo** player control

**Likewise**, all competition personnel and family members must always wear the mask and keep the safety distance

**Mobility restrictions** inside the stadium

\*All COVID-19 measures will remain under review to ensure compliance with local, regional, national and international regulations. The LOC will work closely with IFCPF, and remain in contact with all countries in the lead up to the event.
