To The Asian countries  
To The Oceania countries

During our IFCPF board meeting in October 2015, we decided, effective 2018, that IFCPF will establish regional championships in the Asian-Oceania region. This will provide all the member countries the same opportunity to qualify for the 2019 World Championships. In the past Australia did not have an equal opportunity to qualify because the Asian Para Games, recognised as the regional qualifier, did not allow Australia to participate. For this reason Australia received an automatic slot for the World Championships.

This decision puts an end to the unequal qualification structure.

Yours sincerely
