2. Funding

- Develop an IFCPF Marketing and Sponsorship Sales Plan outlining clear revenue targets.
- Create sponsorship packages appropriate for different levels of tournaments.
- Introduce additional key partners to contribute to the funding and development of CP Football

3. Number of countries

Increase the number of countries by:

- Workshops
- National Championships
- Regional Tournaments
- International Tournaments

Within tournaments administration is very important

Areas include: - Match reports, result books, photos and videos

4. Player & Coach Development

- Provide a tournament calendar to support appropriate development for all member countries with quality assurance through IFCPF competition management support
- Create a targeted strategy for player and tournament development in all regions
- Provide knowledge and educational resources to NPC's, National Football Federations and National CP Football Federations for coaches, technical officials and classifiers
- Ensure a regional competition structure for Under 19 players and increase female participation at all levels of the sport

5. Organisational Capacity

- Provide quality service and support to tournaments with enhanced focus by IFCPF in the development of Central America, Africa, and Asia/Oceania
- Provide on-going support to existing IFCPF Referees, Technical Officials and Classifiers
- Continue development and activation of the Athletes Council, Technical Committee, Anti-Doping Committee, Classification Committee, Officiating Committee and ad-hoc committees
- Increase the number of IFCPF Board Members

Board Structure

1. President
2. Secretary General
3. Athletes Representative
4. Member at Large Europe
5. Member at Large Americas
6. Member at Large Asia-Oceania
7. Member at Large Africa

Technical Director, Communication Manager and Head of Administration

6. Branding

- Organize tournaments starting in 2017 to showcase the performances and abilities of the world's leading players to a global audience in a prime environment
- Ensure live stream agreements and in-depth coverage for all major tournaments
- Create a brand development section in IFCPF marketing plan with targets for further reach
- Engage partners who can carry the brand message for IFCPF, such as FIFA, the Regional Football Confederations (UEFA, AFC, CONCACAF, CONMEBOL, CAF, OFC), with national football and disability sport federations

7. Strategic Partnerships

- Build on the concepts and areas of collaboration outlined in the Memorandum of Understanding with FIFA and the Regional Football Associations by leveraging all opportunities in detailed follow-up and project work
- Develop key partnerships with Members and National Federations to ensure regional delivery of the IFCPF Strategic Plan
- Leverage expertise and resources of partners such as NPCs, Local Organisers and host cities in the staging of major competitions.
- Continue to develop partnership with the IPC
