## **POSITIVES:**

- ✓ The fields was marked in an appropriate and acceptable way
- ✓ **LOC** provided us with four (4) soccer balls and six (6) volunteers. We received water and drinks every day. We have all support we need from LOC Members. This was the excellent support we received from the volunteers in football 7-A-SIDE for the rest of the tournament. We really appreciate that kind of honesty and loyalty from the Military volunteers. They were always there at the appropriated stipulated time. **I wish we can have the Military volunteers in all our National Championships.**
- ✓ **REFEREES** were also available to see to it that games Started at the appropriate stipulated time. They were so professional and officiate all games in an appropriate way. This was the second time in the HISTORY of Football 7 that we have this kind of professionals in referees. They never took side in any game. I really appreciate this kind of control in the side of referee.
- ✓ **MEDIA** > also avail themselves and took some pictures and made some interviews. We also appreciate that.
- ✓ **FIRST-AID**> the paramedics were available every day. This is also appreciated.
- ✓ **TRANSPORT**> Transport were always available to take us to the field and back to the hotel.
- ✓ **Meals** > We received meals according to plans and preparations.

All the arrangements made for FOOTBALL 7 were excellent and nothing will be complained about.
